Re: London/Marmet (FERC No. 1175), Winfield (FERC No. 1290) Relicense
FR#: 08-603-Multi-12

Dear Ms. Rogers:

We have reviewed the application for new license, preliminary licensing proposal for the above referenced project to determine its effects on cultural resources. As required by Section 106 of the National Historic Preservation Act, as amended, and its implementing regulations, 36 CFR 800: "Protection of Historic Properties," we submit our comments.

The relicensing document accurately reflects the consultation about cultural resources between this agency and Appalachian Power to this point. We look forward to receiving the Historic Property Management Plan as agreed to in our previous correspondences and will provide additional comments at that time or as requested.

We appreciate the opportunity to be of service. *If you have questions regarding our comments or the Section 106 process, please contact Shirley Stewart Burns, Structural Historian at (304) 558-0240.*

Sincerely,

Susan M. Pierce
Deputy State Historic Preservation Officer
